

WOMEN APPEAL FOR HELP TO AID POOR IN HOSPITAL

Give a Few Dollars to Pay for
a Free Bed in the Poly-
clinic Hospital.

IT WILL MAKE YOU HAPPY.

Noble Women Doing Grand
Work, but They Need
Some Assistance.

At this Christmas season it should be especially easy to listen to the pleadings of the spirit of charity. That is why the Women's Auxiliary Board of the Polytechnic Hospital feels hopeful in making its appeal to all the women in New York for assistance in establishing the first free bed in the institution that must care for all the indigent sufferers on the west side.

The sum of \$5,000 is all that is necessary to maintain this bed in perpetuity. Through the efforts of Mrs. Charles Gilmore Kerley, President of the Women's Auxiliary Board, and the devoted group associated with her, the bed is already set up, and a woman, critically ill and absolutely penniless, is receiving the best care that the hospital can offer.

But to make this haven a fixture an income of not less than \$100 a year is demanded. The sum of \$2,000 was raised the other evening at a theatrical benefit. That leaves \$5,000 yet to be collected. Who will help?

Surely the clubwomen of New York, who are interested in so many generous movements for human welfare, will not neglect this most obvious opportunity of doing good. The Polytechnic Hospital, which has recently moved into its new building at No. 341 West Fifth street, must take care of all the ambulance cases between Forty-second and Ninety-sixth streets, west of Eighth avenue. This institution is also in the centre of a swarming mass of tenements.

WOMEN WILLING, BUT THEY REQUIRE HELP.

Several free beds are needed—one is absolutely essential. As soon as the management of the hospital mentioned this to the Auxiliary Board, which is mostly composed of the wives of physicians and surgeons and which works in perfect harmony with the authorities, a strenuous campaign was started. But there are only about 100 of these unselfish women, and though they are willing to do everything in their power they assuredly deserve some help.

Every dollar given for the establishment of a free bed will be used for that purpose only. The board does all its own work of administration and charges nothing for its services. There is no suite of offices to keep up, no secretarial salaries to pay.

It is so wretched to be ill, even in the pleasantest surroundings. Think what it must be when a clean, comfortable sick room and good nursing are not available. Aside from its ultimate effect on the patient's recovery, careful tenderness during illness saves so much unnecessary pain. Women, the natural nurses of humanity, ought to be especially pitiful toward sufferers who are poor and for whom free hospital beds, such as the one to be established at the Polytechnic, are so essential.

GIVE WHAT YOU CAN TO AID THE SICK.

If you are glad because you yourself or some one dear to you has recovered from a painful and dangerous illness, give what you can to help cure some other invalid. If the sick one you cared for died, show your gratitude to the science which saved his last days and weeks more comfortable by trying to add to the comfort of another helpless sufferer. Your gift, whether small or large, will be equally welcomed by the hand of self-sacrificing women who are devoting all their time and strength to the succor of those for whom they have assumed a responsibility.

All contributions for the free bed at the New York Polytechnic Hospital should be sent to Mrs. C. C. Kerley, President of the Women's Auxiliary Board, No. 121 West Eighth street, New York.

Ease That Sore, Tight Chest!
MUSTEROLE Does It!

Rub MUSTEROLE on your chest briskly, and you will be amazed at the blessed relief you will feel right away. It prevents pneumonia.

MUSTEROLE is a clean, white ointment made with oil of mustard. Simply rub it on. No plaster necessary. Better than mustard plaster and positively does not blister.

Thousands who use MUSTEROLE will tell what relief it gives from Sore Throat, Bronchitis, Tonsillitis, Croup, Stiff Neck, Asthma, Neuritis, Headache, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet and Colds (it prevents Pneumonia).

Doctors and nurses frankly recommend MUSTEROLE as a substitute for the old messy mustard plaster. Large hospitals use it.

At your druggist's in 25c and 50c jars, and a special large hospital size for \$2.50. Accept no substitute. If your druggist cannot supply you, send 25c or 50c to the Musterole Company, Cleveland, Ohio, and we will mail you a jar, postage prepaid.

At your druggist's or our nearest salesmen for coughs, colds, etc. I am a nurse and recommend it. —MRS. G. G. G. 501 Lake St. (40)

If money means anything to you, don't buy anything during December until you have learned The Big Store's price for it.

We stand definitely for SENSIBLE PRICES and can see no reason whatever why holiday goods should bring greater profits than any other kind of goods.

The Christmas Spirit is a beautiful thing—it's a shame that it is so often used as an excuse for extortion. All over town we see so-called "holiday goods" marked

at fully double the prices at which they could be sold and at which we are glad to sell them. Just test this statement by a few comparisons—on toys, for example, on dolls; on fancy leather goods and toilet articles; on novelties of ten thousand kinds. Another good example is JEWELRY, especially the medium-priced pieces that sell in thousands at this time, and in which beauty of design, richness of appearance and unquestioned character are the chief factors in making a choice. If you will contrast the average about-town prices with our prices on EXACTLY THE SAME GRADES, you will get a valuable lesson in holiday economics.

Charge purchases made at The Big Store until December 10, inclusive, will appear on bills rendered February 1, 1913.
